

PUBLICATIONS BULLETIN

No. 20 — 20 July 2012

This table lists publications with a current Serial Classification Declaration (SCD). When a SCD is granted, future issues of that title released during the SCD period (generally 12 months) are deemed classified at the same level. The classifications are:

- *Unrestricted*
- *Category 1 Restricted*
- *Category 2 Restricted.*

Publications which have a recently expired or revoked SCD are marked in **yellow**. That means subsequent issues of these titles are unclassified unless a further SCD is noted. Further information about SCD is available at:

<http://www.classification.gov.au/Howto complywithclassificationlaws/Pages/Complianceforsaleofpublications.aspx>

Check this list to determine if a publication you wish to sell has a current SCD.

It is an offence in all States and Territories to sell, wholesale or retail:

- an unclassified (submittable) publication; or
- a publication with markings suggesting it is classified or has a different classification.

There are also restrictions on how, and which, publications can be displayed and sold.

Please refer to the information sheet for magazine retailers at:

<http://www.classification.gov.au/Pages/Factsheets.aspx>

For general enquiries, or to confirm the classification status of a publication, please contact the Classification Liaison Scheme on (02) 9289 7100 or cls@classification.gov.au.
